

Fair Housing Clinics

Free Advice on Housing Worries

FAIR HOUSING *for all*

As the area housing market changes, credit becomes more difficult to obtain, foreclosures increase and discrimination in housing lending, rentals and sales continues, the Howard University School of Law Fair Housing Clinic offers the public information to assist them. Law students will describe how the law protects you from housing discrimination, offer legal advice and referrals to residents during these free legal seminars.

Visit www.howardfairhousing.org for more information.

■ **Tuesday and Wednesday, October 9 & 10 7 pm**
